Beautiful, warm, inviting single family home tucked away on a big corner lot near open space trails and ponds! Beautifully landscaped, with a fenced yard and separately fenced garden area adjoining the brick patio! Convenient one car garage with automatic opener. Inside it's just as lovely--recent LVP flooring on the main level in a living room boasting vaulted ceilings, and a gas fireplace in a brick hearth. You will love the comfort and ease of a warm fire during these cool autumn evenings! Separate dining room and Updated kitchen with newer appliances, quartz countertops, and a door to the deck. All new carpeting upstairs in the three bedrooms, and there are two full bathrooms that have been lovingly updated. The lower level is a cozy family room area, with a separate room perfect for a home office! Additional basement space is also finished and makes a wonderful rec room. Newer washer and dryer, and roof replaced in 2017. This is such a great location--close to shopping and Wegmans, but tucked away on a private lot.
